Wooden food crates manufacture

- ◆ *Crates on stock available in 24h*
- ◆ *Custom manufacturing*

Created in 1984 and located in Isère, Vercors Bois Emballage manufactures poplar wooden boxes.

Close to the border, we also deliver countries bordering France: Switzerland, Germany, Austria, Italy

With a catalog of more 40 references in stock, we can deliver in 24 hours.

Our production tool can manufacture customized boxes exactly to your needs from 5000 pieces, available in 3 weeks from the validation of the prototypes.

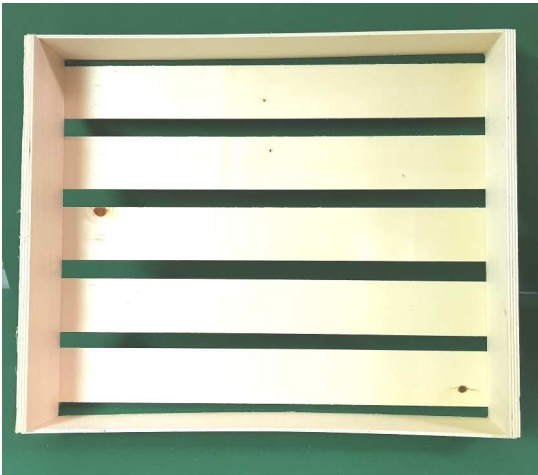

All our manufacturing processes respect good manufacturing practices Hygiene and environment. We control the entire production and production chain: logging, sawmill and packaging

With nearly 1 million crates manufactured each year, we are leaders in our market.

VERCORS BOIS EMBALLAGE is first and foremost a human team involved to always satisfy our customers.

It is also a means of production machines : log saw, edger, unroller, 5 automated assembly lines, a dryer, two trucks of 19 tons for deliveries.

Thanks to our stock and our flexibility, our service rate is 100% for years
